

## TEAM

Each Cuba film, this one and PRIMARIA, happened because of Co-Producer **Lyda Kuth** and her LLC Nadita Poductions.

Lyda is the Executive Director of the LEF FOUNDATION based in Boston, MA. She is the fairy godmother to all New England based filmmakers.

**Juan José Fábregas Carballo**, AKA, Pepe, started out the project as my driver. He eventually became The Fixer nonpareil and, ultimately, one of my closest pals.
